

EXPLANATORY NOTES

How to read this document

Please note that your Motorcycle Policy only starts from Page 5 onwards. To help you read and understand your policy better we provide some explanatory notes together with comments and examples (written in italic). These are not meant to be part of your policy and should not be used to interpret your insurance contract in the event of any dispute.

Words in bold

You will notice that some words in the policy are printed in bold letters. This is because they have been given specific meaning in your Motorcycle Policy. Please refer to Section F for the meaning of these words.

What makes up your insurance contract?

Your insurance contract with us is made up of the following:

- *insurance policy (excluding the italic texts);*
- *the information you provided us when you applied for this insurance;*
- *the Schedule;*
- *the Endorsements attached to the policy; and*
- *the Certificate of Insurance (CI).*

All these must be read together as they form your insurance contract.

Duty of Disclosure

A. Consumer Insurance Contract

Where you have applied for this insurance wholly for purposes unrelated to your trade, business or profession, you had a duty to take reasonable care not to make a misrepresentation in answering the questions in the Proposal Form (or when you applied for this insurance) i.e. you should have answered the questions fully and accurately. Failure to have taken reasonable care in answering the questions may result in avoidance of your contract of insurance, refusal or reduction of your claim(s), change of terms or termination of your contract of insurance in accordance with Schedule 9 of the Financial Services Act 2013. You were also required to disclose any other matter that you knew to be relevant to our decision in accepting the risks and determining the rates and terms to be applied.

You also have a duty to tell us immediately if at any time after your contract of insurance has been entered into, varied or renewed with us, any of the information given in the Proposal Form (or when you applied for this insurance) is inaccurate or has changed.

B. Non-Consumer Insurance Contract

Where you have applied for this insurance for purposes related to your trade, business or profession, you had a duty to disclose any matter that you know to be relevant to our decision in accepting the risks and determining the rates and terms to be applied, and any matter a reasonable person in the circumstances could be expected to know to be relevant, otherwise it may result in avoidance of your contract of insurance, refusal or reduction of your claim(s), change of term(s) or termination of your contract of insurance.

You also have a duty to tell us immediately if at any time after your contract of insurance has been entered into, varied or renewed with us, any of the information given in the Proposal Form (or when you applied for this insurance) is inaccurate or has changed.

If you misrepresented any facts to us before the policy is entered into, examples of the actions that may be taken by us against you include the following:

- *declare your policy void from inception (which means treating it as invalid), and we may not return any premium;*
- *cancel this policy and return any premium less our cancellation charge or recover any unpaid premium;*
- *recover any shortfall in premium;*
- *not pay any claim that has been or will be made under the policy; or*
- *be entitled to recover from you the total amount of any claim already paid under the policy or any claim we have to pay because of any relevant road traffic legislation, plus any recovery cost.*

What this policy does not cover?

These are referred to as 'Exceptions' in your policy and there are three sections where you can find them:

- Section A1b - see 'Events We Do Not Cover': applicable to Comprehensive policy only.
- Section B1b - see 'What is Not Covered': applicable to Comprehensive, Third Party, Fire & Theft and Third Party Only policies.
- Section D - see 'General Exceptions': applicable to Comprehensive, Third Party, Fire & Theft and Third Party Only policies.

There are generally three reasons why we put these exceptions in your basic Motorcycle Policy:

1. Cover is not provided for the exceptions. We have to charge additional premium if you want to cover any of these exceptions. Some examples of the exceptions which are not covered by your basic Motorcycle Policy but which can be covered if you pay additional premium are:
 - flood, storm {see Section A1b - 'Events We Do Not Cover'};
 - strike, riot, civil commotion {see Section D - 'General Exception 8b'}; and
 - use outside Malaysia, Singapore or Brunei {see Section D - 'General Exception 6'}.
2. There are other risks which are not covered by the basic Motorcycle Policy or by any of its extensions. We would have to issue a different policy if you want these types of cover. For example, carriage of goods are not covered by your Private Motorcycle Policy but can be covered under a Commercial Motorcycle Policy.
3. We cannot and do not cover certain risks at all. Some examples of these can be seen in Section D - 'General Exceptions' such as:
 - war, nuclear fission or fusion;
 - risks that are against public policy or against the law; and
 - drunk riding.

Your Motorcycle Policy type is categorised by its permitted use - Make sure that you have bought the correct policy type for your motorcycle or you may have no cover.

Each type of Motorcycle Policy covers a specific usage of the vehicle. If you have bought the wrong Motorcycle Policy type, you may find that you actually have no insurance cover at all. The type of Motorcycle Policy is stated in the Certificate of Insurance under the heading 'Limitations as to Use'. Users for whom you have bought cover are named under the heading 'Persons or Classes of Persons Entitled to Drive'.

The following are standard types of Motorcycle Policies:

- i. Private Use
- ii. Commercial Use
- iii. Motorcycle Trade
- iv. Motorcycle Used for Hire

A Motorcycle Policy for Private Use covers you if your motorcycle is used for "social, domestic and pleasure purposes and for the policyholder's business". The following are some examples of these personal situations for which your insurance policy will provide you cover:

- to visit relatives and friends, go shopping etc.;
- giving lifts where no fee will be charged or paid; and
- limited work or business related transport such as getting to and from work and for attending business meetings.

A Motorcycle Policy for Commercial Use must be bought if the motorcycle is meant or intended to ferry any goods in connection with any trade or business.

A Motorcycle Policy for Trade Plate Use is intended for:

- motorcycle retail trade (showroom display and / or for test-ride, etc.); and
- repair trade (towing / repair / test-ride, etc.).

A Motorcycle Used for Hire is intended for motorcycles which are in the business of being rented or hired out for use (see Very Important Note below).

VERY IMPORTANT NOTE: Unless your Policy is specifically extended for this purpose, you will have no insurance cover if you use your motorcycle in the following manner:

- to practise for or to take part in any race, rally, pacemaking, reliability trial or speed test;
- use on any racetrack; and
- for rental, hire and reward.

Who can ride your motorcycle?

- This depends on whether you have purchased the 'Single Rider' or the 'All-Riders' cover. The 'Single Rider' only covers one rider who is named in the policy. The person named is usually the owner of the motorcycle. The problem with the 'Single Rider' cover is that the policy will not cover if an accident happens while the motorcycle is being used by someone other than the insured named rider. As such, most customers prefer the 'All-Riders' cover as lending motorcycles to friends and relatives is quite commonly practised in Malaysia.
- With the 'All-Riders' cover practically anyone can ride your motorcycle as long as the rider:
 - has a valid licence of the relevant class to ride and is not disqualified to ride by law or for some other reason {(see exclusion on Unlicensed Riders in Section D - 'General Exception 1'});
 - has your permission to ride (see definition of Authorised Rider in Section F); and
 - complies with all the terms and conditions of this policy.
- Note that for either cover, if you or your authorised rider is not qualified to ride or breach any of the terms and conditions, your claim may be rejected. If we are compelled by law to pay, we can recover any sum(s) paid and any expenses incurred from you or your authorised rider.

In which territory is your motorcycle covered?

This insurance you have purchased only covers you in Malaysia, Singapore and Brunei in accordance to the laws of Malaysia. Additionally, note that if you intend to ride your motorcycle into Singapore, you are required by Singapore's law to have cover against Legal Liability to Pillion (LLP). Since LLP is not covered by the basic Motorcycle Policy, you will need to purchase Endorsement 108, which provides a limited cover for your liability for death or bodily injury of pillion.

When is your cover effective?

This insurance is effective from the time of purchase of cover or at the agreed time of commencement, until the expiry date. The period of insurance will be printed in the Policy Schedule and related documents. If there is any change to these dates, it will be officially shown in an Endorsement issued by us.

How much should you insure your motorcycle for under a Comprehensive or Third Party, Fire and Theft Policy?

To be safe, you should insure your motorcycle at its current market value (see definition of 'Market Value' in Section F). In simple terms, this is the current cost to replace your motorcycle with another motorcycle of the same make, model, age and general condition. The amount that you choose to insure is called the sum insured. Please note that you could be penalised if your motorcycle is under-insured (see Section A2e 'Under-Insurance').

For example, if the market value of your motorcycle is RM10,000 but you only insured it for RM8,000 then you could be penalised for under-insurance. Assuming the loss is assessed at RM3,000, instead of we paying the full amount, you could be made to bear a portion of the loss in proportion to the under-insurance as follows:

$$\frac{\text{Sum Insured}}{\text{Market Value}} \times \text{Loss} = \frac{\text{RM8,000}}{\text{RM10,000}} \times \text{RM3,000} = \text{RM2,400}$$

Therefore we will pay **RM2,400** while the balance of **RM600** will be borne by you.

You would be penalised as shown above if the market value of your motorcycle exceeds the sum insured by 10%. On the other hand, it would be a waste of money to over-insure as your insurer would not pay more than the market value. One way to protect yourself from being under-insured or over-insured is to opt for the sum insured determined by a market valuation system approved by Persatuan Insurans Am Malaysia (PIAM).

What is No Claim Discount ("NCD")?

This is a form of premium discount for not having made a claim during the preceding period of your insurance (provided the period of insurance exceeds one year). The scale of NCD applied is specifically mentioned in the policy.

The applicable NCD can be checked with us or the Central NCD Database ("CND") at <https://www.mycarinfo.com.my/ncdcheck/online> before the purchase of your Motorcycle Policy.

What is an Excess?

This is the first amount that you have to bear yourself for each and every claim that we approve, even if the incident is not your fault. However, please note that the excess does not apply to loss or damage caused by fire, explosion, lightning, burglary, housebreaking, theft, third party property damage or bodily injury claims. Please check your Policy Schedule to find out the amount that you are liable to pay. This is referred to as Compulsory Excess (see Section A2g) in your policy.

As an example, if we assess the claim payable to be **RM3,000** but your policy carries an excess of **RM200**, you will have to bear the first **RM200** yourself and we will pay the balance of **RM2,800**.

Do's and Don'ts - after you have had an accident or theft

- **Do:**
 - Call Accident Assist Call Centre (AACC) 24 hours nationwide Insurance road accident Helpline number 1-300-22-1188 or 15-500 for immediate road assistance or tow service in the event of a road accident, or to make an enquiry on claims procedure;
 - inform us as soon as possible about any incident which may give rise to a claim;
 - report all accidents to the police within 24 hours as required by law;
 - submit immediately to us all letters, claims, writs and summons which you have received from third parties as a result of the incident;
 - remove your motorcycle to your insurer's approved panel repairer for repairs; and
 - fully fill up the relevant sections of your claim form - do not put "refer to police report".
- **Don't:**
 - negotiate, admit or repudiate any claim without our consent (see Condition 2 in Section E); and
 - authorise repair without our consent (see Condition 2f in Section E).

Condition 2 of your policy (see Section E) spells out the do's and the don'ts after an accident or theft in more detail.

- (i) **Consequential Losses**
Any direct or indirect losses of any kind that may arise as a consequence of any Incident other than that provided for in Section A2.

Any loss or damage, including theft, caused by or attributed to the act of Cheating or Criminal Breach of Trust by any person.

2: Basis of Settlement

This section explains how We will settle Your claim once We accept that it is payable under Section A. If Your Motorcycle is damaged as a result of any Incident, We have the option of doing the following:

- a. **If Your Motorcycle is Repairable**
If in Our opinion Your Motorcycle is economical to repair, We have the option to:
 - arrange for Your Motorcycle to be repaired at Our approved Repairer and pay the cost of repairing Your Motorcycle to the condition which is as near as possible to the condition that it was in before the loss happened;
 - pay You in cash the amount We estimate it would cost to repair Your Motorcycle; or
 - reinstate or replace Your Motorcycle with one of the same make, model, age and general condition.
- b. **If Your Motorcycle is not Repairable**
If in Our opinion, the damage to Your Motorcycle is so great that it would not be safe or economical to repair, We will declare Your Motorcycle "Beyond Economic Repair" ("BER") and We will pay You up to the maximum amount as stated in (d) below or offer You a settlement sum equivalent to the Market Value. We may also opt to replace Your Motorcycle with one of the same make, model, age and general condition. If We take any of these actions, this Policy shall be automatically terminated once We make payment.

In cases where the valuation of the franchise-holder vary from **Market Value** by more than 10%, **We** would also have the option to offer a settlement value which is equal to the cost of purchasing a replacement motorcycle of the same make, model and age of the **Motorcycle** at the time of loss. It is **Our** option to offer **You** a replacement of the **Motorcycle**, should **You** not agree with the offer.

c. Replacement Parts

If the spare parts or **Accessories** required to repair **Your Motorcycle** are not available in Malaysia, or if **We** choose to pay for the loss or damage in cash, **We** will settle **Your** claim on the following basis:

- the last known parts price list issued in Malaysia by the manufacturer or their agent. If the price list in Malaysia does not exist, **We** will use the price at the manufacturer's production plant and include reasonable cost of transportation to Malaysia (but not cost of air freight); and
- the reasonable labour cost of fitting such spare parts or **Accessories** in Malaysia.

d. The Maximum Amount We will Pay You

If **Your Motorcycle** is BER or stolen and not recovered, the amount payable under the **Policy** will be the **Market Value** at the time of the loss or the **Sum Insured** as shown in the **Schedule**, whichever sum is the lesser. Upon our payment of the said amount, this **Policy** shall be automatically terminated. The **Market Value** is to be determined according to clauses 13 and 14 of Section F.

e. Under-Insurance

If the **Sum Insured** of **Your Motorcycle** is less than the **Market Value** at the time of the loss, **We** will only bear part of the loss in proportion to the difference between the **Market Value** and the **Sum Insured** as shown in the formula below:

$$\frac{\text{Sum Insured}}{\text{Market Value}} \times \text{Assessed Loss}$$

The balance has to be borne by **You**. However, this will only apply if the under-insured amount is more than 10% of the **Market Value**.

f. Betterment

If new original parts are used to repair **Your Motorcycle** and as a result of which **Your Motorcycle** is in a better condition than it was before the damage, **You** would be required to contribute to its betterment, a proportion of the costs of such new original parts. **Your** contribution would be according to the following scale:

| Age of Your Motorcycle (Years) | Rate of Betterment |
|--------------------------------|--------------------|
| less than 5 | 0 |
| 5 | 15% |
| 6 | 20% |
| 7 | 25% |
| 8 | 30% |
| 9 | 35% |
| 10 and above | 40% |

To determine the rate of betterment to be applied, the age of **Your Motorcycle** will be calculated based on when it was originally registered in Malaysia:

| | | |
|----|--|-------------------------------|
| a. | as a locally assembled motorcycle | Date of Original Registration |
| b. | as a new imported Completely Built Unit (CBU) motorcycle | Year of Manufacture |
| c. | as an imported second-hand / used / reconditioned motorcycle | Year of Manufacture |

g. Compulsory Excess (see explanation on excess under Section 'What is an Excess?')

We have the right to deduct the **Excess** from the amount that **We** would have to pay for each and every claim under Section A arising out of one **Incident**.

This **Excess** does not apply if the loss or damage is caused by fire, explosion, lightning, burglary, housebreaking, theft, third party property damage or bodily injury claims.

3: Towing Costs

If **Your Motorcycle** cannot be ridden as a result of any damage to it that is covered by this **Policy**, **We** will pay up to a maximum of RM50 for the necessary and reasonable costs to remove **Your Motorcycle** to the nearest approved **Repairer** or to a safe place of storage while awaiting repair or disposal.

Section B: Liability to Third Parties

This section explains what is covered and not covered under Section B.

Liability to Pillion other than:

- a. Pillion carried for hire or reward;
 - b. employees in the course of employment; or
 - c. Your or Your Authorised Rider's Household member unless he / she is required to be carried on Your Motorcycle by reason of or in pursuance to a contract of employment;

- (v) liability caused by a Pillion travelling on or alighting from Your Motorcycle;
- (vi) any claims brought against You by any rider of Your Motorcycle, whether authorised or not;

We will only pay for legal cost and We will not pay for any penalty imposed on You or Your Authorised Rider.

5: Rights of Recovery

We have a right to refuse to indemnify You or Your Authorised Rider if either of You commit a breach of any Policy conditions or where the claim falls outside the scope of cover provided by Us under this Policy. However, if We are legally required to pay any judgment sum in respect of a claim under Section B of this Policy because of laws in force in Malaysia, Republic of Singapore or Negara Brunei Darussalam, which We would otherwise not have to pay, We have the right to ask You or Your Authorised Rider to repay to Us the amount of that payment and any costs We have incurred in connection with the claim.

Section C: No Claim Discount

This section spells out the reward system known as the "No Claim Discount".

1. No Claim Discount (NCD)

If You have insured Your Motorcycle for a continuous period of 12 months and You or anyone else did not make any claim under this Policy during that time, a NCD will be applied at each renewal. The applicable NCD will increase with each renewal if You continue to have claim free years as follows:

| Claim Free Year of Insurance | NCD Entitlement |
|--|-----------------|
| After 1 continuous claim free year | 15% |
| After 2 continuous claim free years | 20% |
| After 3 continuous claim free years and beyond | 25% |

2. One Claim and Your NCD is Down to Zero

If You or anybody else meet with an incident which will give rise to a claim on this Policy, the NCD entitlement that You have accumulated would drop to zero at the next renewal and Your NCD will start all over again. If a claim is received after the NCD has been applied, We shall be entitled to recover the NCD given from You.

3. **Exception to this Rule**

Your NCD will not be affected even if a claim is made if:

- We are of the opinion that You are not at fault for causing the loss;
- the offending vehicle is identifiable and is not a vehicle used for carriage of passengers for hire or reward (for example taxis, hire cars, public buses, stage buses, school buses and factory buses for hire);
- the offending vehicle is insured by a Malaysian licensed insurer; and
- there is no death or personal injury claim involved.

4. **Your NCD is not Transferable**

The NCD is personal to You which means that if You were to sell Your Motorcycle and We agree to transfer this Policy to the new owner, Your NCD cannot be transferred for the benefit of the new owner.

5. **Non-utilisation of NCD**

For every year that the NCD is not utilised by You, the NCD accumulated and applicable for this Policy will be reversed in accordance with the scale set out in the table in clause C1 above.

Section D: General Exceptions - these apply to the whole Policy

This section lists down circumstances under which this Policy does not provide cover at the time of happening of the Incident. This is in addition to those already listed in Sections A1b and B1b.

1. **Unlicensed Riders**

There is no cover under this Policy if You or Your Authorised Rider do not have a valid licence to ride Your Motorcycle. This will not apply if You or Your Authorised Rider have an expired licence but are not disqualified from holding or obtaining such licence under any existing laws, by-laws and regulations.

2. **Alcohol, Drugs and Other Intoxicating Substances**

There is no cover under this Policy if You or Your Authorised Rider is under the influence of alcohol or intoxicating liquor, narcotics, dangerous drugs or any other deleterious drugs or intoxicating substance to such an extent that You or Your Authorised Rider are incapable of having proper control of Your Motorcycle.
